Rules of Etiquette for South Fitness Center

Goal: To maintain an atmosphere in which all people feel comfortable as they work to improve their fitness level.

- Please refrain from cell phone use during work out, unless you move outside or off to the side.
- Please avoid loud boisterous talking and profanity; most don't want to listen.
- No food or drinks, other than plastic water bottles into the work out area.
- Do not simply sit on machines and talk to others; especially when others may be waiting for that particular machine.
- Use hand wipes after each use on all equipment, mats, etc.; throw wipe in receptacles when finished. Avoid liquids on TV screens, wipes are acceptable.
- Throw all garbage/bottles, etc, in receptacles and not on floor or left on machines.
- Please adhere to 30 minute time limits on cardio equipment.
- Do not leave personal work out bags on the fitness floor; place on sides where they aren't a safety hazard.
- Return all weights and equipment back to its original place of storage when finished using.
- Operate equipment safely, asking monitors for assistance when needed.
- Again for safety, wear appropriate clothing designed for movement.
- The southeast door is only to be used as an "Emergency Exit".
- All doors are to remain closed and not propped open, during normal operating hours. The air handlers are on at all times.
- A monitor has the discretion to ask an ill behaved person to leave the fitness floor/center.

Most importantly, the fitness center is for all SVE residents to enjoy. SVE resident's guests, as defined in the handbook, and over the age of 18, are also welcome when accompanied by a SVE resident.

Failure to follow the above rules could result in the Homeowner losing their right to use Association Amenities.

The Undersigned has read the above and agrees to follow and abide by the Fitness Center Rules.
