

NEW MARICOPA COUNTY FOOD HANDLER REQUIREMENTS

(Updated 1/19/17)

Please read through all the information provided below. While Maricopa County no longer requires a food handler card, they do require all workers complete a training course and test and provide a certificate of completion and receipt to Sunland Village East HOA (SVE). SVE will continue to reimburse volunteers who take the certification test up to \$15 to cover costs for taking the test. Residents working events in Association Facilities must provide the certificate and receipt in the Association office prior to the event. A copy of your certificate will be kept in the office for 3 years. After 3 years the resident will seek renewal through a Maricopa County approved certification program. All food handler cards currently posted in the kitchen are good until their current expiration date.

For a list of recognized, and approved Certification/test providers visit the following website
